CANTERBURY RED DEVILS

On Saturday 30 August Canterbury Red Devils took on Botany Swarm in the final play off for the NZIHL. The Red Devils went into the game with a slight advantage having only lost 1 game for the season, yet knowing this would not change the fact that this would be a hard fought game.

Botany Swarm were first to score with the Devils leveling the score and going one point up in the third period. It looked like the Devils could pull off a win when the Botany Swarm pulled the goalie and scored a goal in the dying seconds of the third period forcing the game to go into overtime.

Due to another Canterbury penalty the Swarm were able to score winning the game 3-2 in what has been one of the most intense games of the season, unfortunately leaving Canterbury with the silver medal.

Red Devils received top point scorer, top forward and top rookie, MVP for the NZIHL season.
