NEW ZEALAND ICE SKATING CHAMPIONSHIP

10th-14th September 2007

Centaurus Ice Skating Club assisted by Canterbury Masters Figure Skating Club, has just hosted National Championships here in Christchurch at Alpine Ice.

Centaurus are pleased to have once again won the Allchurch Shield - an interclub trophy much like the Ranfurly Shield - this is the 7th year in a row that we have won this shield.

Thanks to all the Competitors who contributed with points to enable us to do this.

We look forward to the day that the young skaters in Kiwi Skate can compete at the national level and in turn contribute to our retaining this shield, so we can all be winners together.

The Red Devils Team and Management would like to thank most sincerely those who supported them this year. In the first year of the League, the Red Devils finished 4th. In the second year they finished 3rd. This year, the 3rd year of the league they managed to win the right to host the finals and they finished 2nd. Does this mean that next year we will win it?
