

**It's business as usual at Alpine Ice-**

Christchurch's only international sized ice sports and entertainment centre – but its about to get even better!

We are still open for business as usual right now but Alpine Ice is preparing for a major make-over!

After celebrating its 24th birthday this year Alpine Ice decided it was time for a facelift to maintain Alpine Ice as one of Christchurch's coolest and funkiest sports and entertainment centres!

On Monday October 12<sup>th</sup> work will begin on raising the current ice floor to replace it with one that is more environmentally friendly and faster than ever before! And in time for the big reveal we will have a wickedly cool new look café, more effective administration areas and a fresher look all round!

You're going to love it!

**But right now Alpine Ice is all go for action and the ice is calling you!**

During weekends and holidays, Alpine Ice is the place to be! Skate to the latest and greatest sounds and funky light display! On weekdays come on down for fun, exercise or just go with the flow. No matter what your age or ability there is a public session for you!

Or why not relax and enjoy an espresso in our licensed, heated cafe and bar? We even have a video games area for the techno-heads!

Want to learn how to skate like a Pro? We have it all, no matter what level you are there is a Skate School class suitable for you.

No skates? No worries! We have that covered too. So, you're running out of excuses.... See you soon!!
